Custom Orders

Call or email us for more information!

Need a custom mosaic, radius tile, anything else? We'd love to help!

Return Shipping Cost \$20 for the first register cover + \$5 for each additional cover.

You're also welcome to pick up your order at our Portland, OR location free of charge!

The Process

1. You decide which style and size register cover(s) you need and fill out this form accordingly. Email, fax, or mail it in and we'll contact you to confirm your order.
2. You send us your tile to the address at the top of the form. See the chart above for minimum sizes we need to work with. Note that extra tile may be required as occasionally tile is damaged in the cutting process. Because of this we recommend that you provide a minimum of one extra tile to avoid possible delays and extra shipping cost.
3. We back your tile with 3/16" aluminum to add strength.
4. We precision cut your heat register cover on our waterjet machine.
5. We box it up and send it to you, ready to be installed. Or, if you prefer, we'll give you a call so you can come pick it up at our Portland, OR location.

To place your order: **email** this form to JohnP@stonecenterinc.com
